VOL. XXXXII — SONOMA, SONOMA COUNTY, CAL., AUGUST 21, 1920 — NO. 51

SITE FOR DELINQUENT WOMENS HOME SELECTED IN THIS VALLEY CURRENT RUMOR SAYS

BUENA VISTA PROPERTY SAID TO BE INTENDED FOR CONVICTED PROSTITUTES, VAGRANTS AND DRUNKARDS AS PROVIDED FOR AT LAST LEGISLATURE

The rumor is current and apparently substantiated that the former Kate Johnson place known as Buena Vista Castle in Sonoma Valley is to be acquired by the State as the site for the new California Industrial Farm for Women "an institution, for the confinement, care and reformation of delinquent women". It was reported in the San Francisco press last week that a site of 200 acres near the town of Sonoma had been chosen and local realty men confirm the report of negotiations for the Castle property now owned by A. Caillenaud, wealthy butcher and capitalist.

The last Legislature appropriated $150,000 for the purchase of a "farm" and the bill creating the institution provided for the appointment of a Board of Trustees, three of whom were to be women, all appointed by Governor Stephens.

The latest purported acquisition to the population of our beauteous Valley of the Moon would comprise so the enactment reads "any woman 18 years of age or over found guilty by any court, of prostitution, keeping any house of ill fame, or residing therein, frequenting for immoral purpose any dance hall, known vagrants, common prostitutes or drunkards. It would accommodate also any woman deemed advisable for transfer from penal institutions in the state. All inmates would be sent to the institution for the indeterminate period of six months to five years. In the event any child is born to a delinquent at the "farm" it may be kept there until two years of age.

In addition to those sentenced to the institution, any woman in danger of becoming a recruit to the night life may upon her own written request be admitted to the reformatory.

The act providing for the creation of the new institution makes it a felony for anyone to assist in the escape of an inmate during the period of their incarceration.

The so-called California Industrial Farm for women has no connection whatsoever with the home for morons and feeble minded delinquents which was under consideration by the trustees of the State Home at Eldridge some time ago. The latter was a war emergency measure.

Other Sonoma Valley property viewed by state investigators for the new institution is the J. K. Bigelow place which has been under consideration by the trustees of the proposed farm for moral delinquents.

BOYES SPRINGS RAISES $1500 FOR CHEMICAL

Donations and Benefit Thursday Brings Splendid Returns to Aid in Fire Protection.

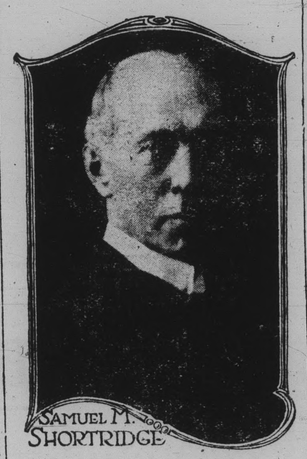
The ambition of Boyes Springs to acquire another and larger chemical engine for their fire department is to be realized, for already about $1500 has been received toward the purchase of the handsome big apparatus which was on display benefit day at the Springs. Residents of Sonoma Valley were attracted to the modern motor chemical apparatus as it passed through here Thursday to Boyes, and with the "Little Red Devil" it was proudly exhibited at the Springs both day and evening. The price of the new chemical which is equipped to carry many fire fighters, more chemical and several hand extinguishers is $2650. It is a handsome and efficient piece of apparatus.

The benefit Thursday on the hotel grounds and at the theatre in the evening netted something like $500 The contributions in cash already pledged or paid amount to $1000 so the Boyes Springs volunteer Fire Department and its energetic Chief, Geo. Cause are rightfully proud of their efforts and ambition to give the Valley of the Moon further protection from the fire demon. In appreciation of their past fine service and response to every call, an immense crowd turned out Thursday night and packed the theatre to capacity.

A fine program of vocal members and gripping photo play was followed by dancing and everyone who attended voted the benefit a splendid success.

At the conclusion of the program Chief Geo. Cause made a neat speech thanking one and all for aiding the Boyes Department in the effort to improve its fire fighting facilities.

Supervisor Harry Weise was called on for a talk and the candidate was given a rousing ovation as he complimented the progressive people of the Springs district on their laudable undertaking.



Honorable Samuel M. Shortridge, Republican candidate for the United States Senate has been meeting with great success in his campaign tours. Everywhere Republicans of California acclaim him

PLEDGE BIG SUMS FOR SONOMA FIRE ENGINE

Business Men's Association Discuss New Chemical Project and Report Splendid Financial Encouragement.

The Sonoma Business Men's Association got down to business on the prosposed improvement of the town's fire fighting facilities at a meeting last Monday night and also at a special session Wednesday.

At Monday's meeting there were present representatives of two fire engine companies both anxious to make the sale of a chemical to Sonoma.

They were interrogated concerning the various types of motor fire fighting equipment and their adaption to the needs of a city of this size. Various kinds of fire engines ranging in price from a couple of thousand dollars to twelve thousand were discussed and the discussion brought out several interesting points, among which was the fact that the Board of Underwriters regards Sonoma now as an unprotected town and that even in the event of eleven or twelve thousand dollar engine purchase there would be little reduction in insurance rates unless Sonoma had a paid fire department,

The Business Men therefore decided to have a committee investigate the cheaper type of fire engine and decided that the $4000 chemical and pump combination would safeguard the city sufficiently.

Messrs R. Hotz, Otto Wagner and R. R. Emparan will look into various makes of engines at around this figure.

On Wednesday it developed that so much interest has already developed in the contemplated purchase that the following generous contributions have been pledged:

Sonoma Valley Bank, $100; F. M. Burris, 100, F. Duhring, inc. 100; F. Clewe, 100; Jesse Burris, 50; A. W. Adler, 100; Gottenberg Bros., 50; Chas. Dal Pogetto, 50; O. R. Wagner. 25; Al Stein, 25; Thos. Denny, 25; G. S. Harris, 25; G. Sorini, $100.

In addition, the Womans' Club and Business Men will give their quotos of the 4th of July proceeds to help along the purchase of the new fire engine. This already brings contributions over the $1300 mark.

Capt. and Mrs. Zachary of Ukiah are here on a visit to Ms. R. J. Snyder.

Miss Aileen Poulsen, one of the accommodating telephone girls of the local exchange, has accepted a position at the Santa Rosa office. Her mother will take up her residence there also.

The McDermott party who have been spending a delightful vacation at the L. Mouyer place return to San Francisco to-morrow. Their many friends in the valley will miss them and look forward to their return soon.

COUNTY ENGINEER'S REPORT REVEALS BIG EXPENDITURE

Sonoma County's Road Program Under New System Costs Taxpayers Much Money. Budget For Coming Year.

The annual report of County Engineer Lloyd Aldrich for the year ending June 30, 1920, showing costs and expenditure from August 2, 1919 and including his budget estimate for the present year's operations, was officially filed with the county clerk Wednesday. The overhead expense of his office for highway work under the bond issue on money actually spent is 22.67 per cent.

Total expenditures of $474,832.18 are reported for the eleven months ending June 30, and a request of $657,680 for the present year's budget is made.

Engineering and administrative costs for eleven months were $65,844.15, while the budget estimate for the present year is set $83,000 for the county engineer and $3,000 for the county surveyor.

The grand aggregate of $657,680 is divided as follows: $270,000 for ordinary roads and structures in the various road districts; $302,680 for special bridges, highway system and general county; $85,000 for the engineering department.

To meet this vast sum there is available from the general fund of 1919-20 $65,000 and from the general road fund $30,000; leaving $562,680 to be raised by taxation. The county engineer suggests that a 60 cents per $100 valuation be levied on road districts, thus raising $165,000, and that the general fund tax be sufficient to raise $397,680, of which $10,000 would be for ordinary roads and structures; 302,680 for specials, and $85,000 for the engineering department.

Emphasis is laid in the report on figures showing costs of engineering and administration for the highway division to be 3.25 per cent of the $1,640,000 available under the bond issue. Equal emphasis is laid on figures showing engineering and administration to be 5.53 per cent of the $239,953.70 spent on the road division, maintenance of present roads, with the added explanation that figures from the Third district are by information only, and with $19,700 in unpaid claims. (This is the district which Supervisor Cunningham refused to turn over to Aldrich for road administration.)

From the annual report of county receipts and expenditures made by the county auditor the additional information is gleaned that $135,941.42 has been spent from the bond issue of $1,640,000.

The county engineer's 1920-21 estimates provides for ordinary roads and structures in the various supervisorial districts as follows:

District No. 1, $54,60.
District No. 2, $62,160.
District No. 3, $60,000.
District No. 4, $49,500.
District No. 5, $43,720.

Under the heading of special bridges, highway system and general county the estimate provides for the following:

Markham bridge, Russian River, $125,000.

Cazadero-Guerneville (Jenner highway road, $21,880.

Lakeville-Black Point road, $2,500.

Penngrove state highway road $2,500.

New Occidental road, $700.

Guerneville-Korbel road, Sec. A, $5,100.

Cloverdale-Geyserville road, $30-000.

Dutcher Creek Canyon road, $3,000

Austin gravel plant, $12,000.

These estimates do not take into consideration the bond issue which is available for work as fast as it is done, none of which can be used for anything except construction work, leaving all the overhead expenses to be met from the general fund.

SAM SEBASTIANI MAKES MAGNIFICIENT OFFER TO CITY OF SONOMA FOR FIRE PROTECTION

PUBLIC SPIRITED MAN WOULD GIVE FIRE PROTECTION FROM THE SPLENDID WATER SUPPLY HE HAS DEVELOPED NORTH OF TOWN

Sam Sebastiani, the wealthy and enterprising wine and cannery man, who for some time past has been making great improvements and acquiring much Sonoma property which he has been highly developing now comes forward with a magnificient offer to the city of Sonoma by which he would give fire protection to the entire community.

A private water supply which Mr. Sebastiani has developed on his property at a cost of many thousands of dollars would be the source from which Sonoma would be supplied with quantities of water in case of a fire emergency. A six inch main is now being laid along 4th street East and Spain street from a 65,000 gallon high pressure tank situated on the hill above the Sebastiani cannery. Sebastiani is having this pipe put in to furnish protection and service to his own property but he has generously offered to allow the city to connect on to it so that in the event of a big fire in our business section or some other residence district beside his own, plenty of water under high pressure would be available.

The 65,000 gallons of water on the hill is reserve pumped from 150,000 gallon capacity tanks at a lower level. These tanks derive their supply from seven flowing wells and in the event of a stubborn fire of duration seven 2 inch streams could be pumped into the high pressure tank making the Sebastiani water supply practically inexhaustable.

As one of Sonoma's greatest needs is ample fire protection, Mr. Sebastiani's public spirited offer and his reputation for maintaining everything up to the highest standard of efficiency makes the water supply gift worthy of the greatest praise, and it is to be hoped that the town will avail itself of its unusual opportunity.

Miss Mildred Ranker has returned to Glen Ellen to reside. She has had a government position.

L. L. Stenquist of the High School is visiting at his hme in Southern California.

Mrs. Amelia Bates has returned from her outing at Santa Cruz.

Mrs. Cynthia Goodman has been visiting her sister, Mrs. Dillon in Petaluma.

Mr. and Mrs. Frank Shaw celebrated their crystal wedding last Sunday at their county home near Buena Vista.

RAILROAD FARES ADVANCE ON THURSDAY, THE 26TH.

Rules governing increased passenger and and commutation rates, authorized by the State Railroad Commission, were announced yesterday following a meeting of the Western Passenger Traffic Association.

Although the increase of 20 per cent becomes effective Thursday, August commutation books no all ferries and local trains will be good until their expiration.

All tickets purchased prior to August 1st will be honored within their limit.

Tickets purchased on and after August 1st and bearing time limit exceeding thirty-five days from date of sale will not be honored after August 26, but such tickets will be redeemed for their proportional value.

Tickets sold on or after August 1st and before August 26 that bear calendar month limits or a limit not exceeding thirty-five days from the date of sale will be honored within their limit. This means, according to traffic men, that such tickets will be accepted for passage during the few days that elapse between August 26 and the date of the expiration of the tickets.

Round-trip excursion tickets upon which the journey has been begun before August 26 wil be good until used.

The new rules apply to the peninsular and ferry service of the Southern Pacific, the Northwestern Pacific, Western Pacific, the Key Route and the San Francisco-Sacramento electric line.

SPRINGFIELD, MASS. EDITOR CANNOT UNDERSTAND WINE GRAPE SITUATION

The editor of "Rural World" published in Springfield, Mass. writes to the Index-Tribune enclosing a clipping from this newspaper in which we had predicted the price of wine grapes to be something like $80 a ton. The Eastern editor cannot understand it, so he says, in the face of prohibition and he wonders if wine is really to be made and if that accounts for the price of Bacchus berries. We wrote him as follows:

The wine and vineyard people were never as prosperous as they are now. Grapes are selling up to $100 a ton in Sonoma county this season. Wine has been changing hands at $1 per gallon, f. o. b., Sonoma. It is shipped under a permit for "sacramental and medicinal purpose." Every wine man has a permit to make wine this season despite the decree against manufacturing. It is all supposed to be for non-beverage purpose.

Raisins are selling for 40 cents per pound for home-made hard "stuff". The Swiss-Italian Colony at Asti, Sonoma County which sold out when prohibition went into effect finding out that prohibition does not prohibit has bought back its extensive properties and is planting more vines than ever. This firm will manufacture large quantities of wine this year.

There is nothing to prohibit the crushing of grapes and the selling of fruit juice by anyone regardless of the permit for wine. Consumers may take the juice away and if it ferments and develops a kick, it is up to the sniffers to locate it. The custom of wine drinking is so general here that it would take an army of sleuths to run it down and then they would have a hard time.

What prohibition has done is this. It has created a great demand for wine and thus sent the price skyward.

The government is not getting its former revenue from the industry and the public pays $2 and better where it used to get its wine for 50c per gallon and grapes for $25 per ton. Prohibition will be the means of depriving connoisseurs of the fine old wines which were an art with those who took a pride in their making. New wine is the thing now days and it is turned into money as quickly as possible and big money too.

You can't dry up the U. S. A. with all its foreign strata and inate customs. It is an impossibility.

California is particularly adapted to wine grape growing. It is the Italy, France, Spain of this continent. It is one of our greatest assests and can not be ruined.

We believe the Eastern States are at last coming to know pure wine and its virtues. In the past much cooked up stuff was labeled under the misnomer wine. To know Sonoma wine is to appreciate it and ask for the liberalization of the Volsted act.

Sonoma, California, August 21, 1920.

THE SUPERVISORIAL SITUATION

THE SUPERVISORIAL situation this year with two Sonoma Valley candidates in the field against a man from the Petaluma side makes it a ticklish proposition. It is a forgone conclusion that the voters of this section do not want to run the risk of being represented on the Board of Supervisors by a citizen of Cotati. They must therefore unite on the strongest of their men and elect him. Supervisor J. H. Weise, our present representative is without doubt the candidate who can assure Sonoma Valley the representation to which we are entitled.

Voters have but to recall the clannish spirit of our neighbors over the mountain to see that they will poll a substantial vote for their man. Let us not try to swap horses in the middle of the stream and in trying to elect Fred Lowell lose out altogether. Sonoma Valley has an experienced, honest and conscientious supervisor in J. H. Weise who with his experience is invaluable to the district and should be reelected by a handsome majority.

THE CALIBRE OF CONGRESS

THE CALIBRE of Congress this year is of all importance to the country and to the world. Let us elect broad minded men whether they be Republicans or Democrats. By all means let us steer clear of fanatics who have but one obsession and go to Washington with nothing else to commend them. A man like "bone-dry" Wallace in the U. S. Senate would be disastrous for he is not representative of the true California but on the other hand represents the minority in this state whose autocratic attitude is resented by thousands of voters. Republicans can vote for the dependable Shortridge or for Wm. Kent.

In our Congressional district, we happily have a tried and true representative in Congressman C. F. Lea. He is the type of man who refutes every criticism the prohibitionists have ever hurled at those opposed to them. He merits the respect of everyone in Washington and is recognized for his sterling qualities as a man and statesman. If we send men like Lea to Washington we need have no fear, no matter what questions come befor Congress, and there are likely to be momentouous issues these next few years. Mr. Lea has not only proven his loyalty to the district but he has demonstrated his capacity.

SONOMA IS particularly interested in the recognition that this Coast and California is getting as the new furniture factory center, for right here in Sonoma City for some time past we have been pleased to note the growth of the industry in the local plant of A. W. Adler. The business while not on an extensive scale here has been making a steady and splendid advancement. Sonoma city's factory has, for some time had as many orders on hand as can be turned out. At this writing the Adler factory has orders enough ahead to keep it going at full capacity for months to come. We welcome this industry and the community will prosper as it continues to grow. The great convention of furniture dealers in session in San Francisco the past week should give the business a decided impetus everywhere.

THE HEALDSBURG Enterprise of last Saturday printed a signed article citing some of Judge Denny's "record" which will not help Denny's candidacy for reelection as it shows his bias and seems to confirm the of repeated rumor that the Judge takes program from a certain firm of Santa Rosa lawyers. A Judge should be entirely unbiased and know enough law to act impartially and untrammeled. Any intimation that the Bench is influenced from any quarter reflects the greatest discredit on the judiciary system and undermines one of the most important branches of our government.

THE RECORD of the Sonoma County Superior Court case of which we have personal knowledge is being disclosed in these columns not in any spirit of spleen whatsoever but that justice may be exalted and dealt out to all who come within the jurisdiction of our courts. Some men are not capable of dispensing justice and have exemplified their unfitness for the high office they seek. They should be returned to private walks of life where they cannot wield power such is as vested in our courts. Above all, the temple of Justice must be protected by the vote of the people.

NOW THAT the original Mayflower timbers are said to have been found we wonder if everyone claiming ancestors who came over in the Mayflower will be after those timbers. They might make them up into toothpicks and distribute them to those with accredited family trees.

ISN'T IT GRAND and glorious how candidates for office stop and ask you to ride now days. Any old vote in a storm. Oh, boy, we are getting so democratic near the 31st its really astonishing.

CANDIDATE COX on the verge of arrest for speeding seems to indicate that "Jim" is trying to get there altogether too fast.

"IS THE DEVIL in Petaluma?" is the question being asked over ther in a display ad of the Methodist Church. Isn't it Hell!

SUPERVISOR WEISE GETS UP HIS "IRISH"

When the Board of Supervisors received the report of Chas. Derleth, University of California Engineer this week containing his findings as regards the Petaluma-Sonoma bridges, Chairman Charles asked if the Board would agree to accept the report as final. Supervisor Goddard said he was willing to accept the report as Derleth's opinion as to the bridges but that he had his own opinion of the whole procedure and its legality.

Supervisor Weise then got up his "Irish" and took a fall out of his fellow supervisor accusing him of bias. "This thing is getting rotten," Weise is quoted as saying, "It is getting to be a personal grudge and you know it," shouted Weise.

Weise then moved to accept the report which declared the bridges to be first class and reasonable in cost. Supervisor Doss seconded the resolution.

Supervisor Weise admits that the Board of Supervisors did not legally or formally permit the County Engineer to make changes in the bridges plans but says he was verbally told it would be all right. Mr. Weise acknowledges that according to law the Board is required to enter upon the record of its proceedings any proposed changes after plans or specifications are once filed. He says they failed to do so, upholding District Attorney Hoyle's contention that the procedure was illegal and Supervisor Goddard's stand that Sonoma County should conform to the requirement of the law as pointed out by its District Attorney. If we are to evade the law and do not want an opinion why hire a District Attorney at all declare the minority members of the Board.

Miss Laurine Watson of Oakland is a guest at the Dodge ranch south of town.

PETITIONS IN FOUR ESTATES ARE FILED

Petitions in four estates were placed on file in the superior court Saturday by Attorney R. A. Poppe.

First and final accounts and petitions for distribution were offered in the Mary Brotherton and Adolpre J. Chevalier estates. At petition for family allowance of $200 monthly by Maria Bertollotti was offered in the Edoardo Bertollotti estate. Mary Bianchini petitioned for a decree assigning the whole of Amadio Bianchini estate to her as the widow.

The Brotherton estate is worth $88.89, the Chevalier estate, $9324.30 the Bertollotti estate, $2500, and the Bianchini estate not more than $1500 It was appraised at $600.

WALTER RIEGELHUTH INJURED

Walter Melvin Riegelhuth, son of Wallace C. Riegelhuth of The Call composing room force, has regained consciousness and is on the road to recovery from injuries received when he was run down by a meat market delivery buggy.

Returning to his home at 27 Collingwood street from the Douglas School, the lad was crossing the street at Nineteenth when the accident happened. The market buggy was that af a butcher at Eureka and Eighteenth streets and was driven by John Ryan, a boy of 13.

The family often visits here.

LARGE CULVERT IS ORDERED FOR THE HYDE CORNER

Aside from their tempestous session on the disputed question of county bridge construction, the board of supervisors at their Wednesday meeting accomplished some other business without any confliet of votes.

Supervisor Weise submitted a resolution which was adopted, providing for the construction of a new reinforced concrete culvert and the widening of a sharp curve on the Napa-Sonoma road, close to Hyde ranch on the Sonoma end of the road. It was at this point that there was a fatal automobile accident a week ago Sunday, when one woman was killed. The sharp curve and short culvert, coupled with an inexperienced driver, are said to be responsible for the fatal accident.—Press Democrat.

CONGRESSMAN LEA TO BE MAIN SPEAKER ON LABOR DAY PROGRAM

The Labor Day celebration committte in Petaluma Monday night decided to give Congressman Clarence F. Lea an invitation to be the major speaker of the program which will be held when the labor hosts of Santa Rosa and Petaluma join in their celebration in Petaluma.

DEATH OF ORRICK JOHNSON

Edward Orrick Johnson, eldest brother of C. E. Johnson and Lucien Johnson of this place died in San Francisco last week of acute gastiritis. He formerly resided in Sonoma Valley and leaves to mourn him a widow and son besides his brothers, Claude and Lucien, and three sisters, Mrs. Zelma Palstine, of Stockton, Mrs. Grace Zane of Woodland, and Miss Lena Johnson of Los Angeles.

Mrs. Eva Peck returned to the Champlin ranch last Sunday evening to visit her sister, Mrs. Charles C. Champlin.

W. N. Vallandigham, candidate for Assembly was calling on voters in this vicinity Thursday.

Mr. and Mrs. Roy Garrison who have gone to housekeeping in the cottage vacated by Mr. and Mrs. Brubeck were given a chivari this week. The telephone man and his bride gave the serenaders a joyous welcome.

The Brubecks have gone East on a visit to Mrs. Brubeck's folks, the De Sart family now residing in Iowa.

Dr. Burnett and his brother, W. Burnett of the Shell Oil Company, have gone on a deer hunt to Mendocino County.

ATTENTION VOTERS!

Elect Superior Judges concerned with fairness, men who will be just judges. Vote for Rolfe Thompson, and Judge Seawell. Primary election August 31st, 1920.

LEWIS AND ROSS TO AGAIN CONDUCT DINING ROOM AT CALIENE VILLA

Patrons of Caliente Villa will be more than pleased to read the announcement elsewhere in these columns that the popular caterers are to resume management of their own dining room at this favorite resort.

Mrs. Lewis and Miss Ross won instant success with their quality "eats" and have a fine patronage who will now be served with many specials and extras at Sonoma Valley's splendid dining place.

Auto parties are catered to and the service is par excellence both day and night. Those who have not tasted Lewis and Ross waffles do not know what they are missing. Look up your favorite dishes in their attractive announcement and try Caliente Villa the next time you plan to dine out.

OLD OFFENDER SENT TO SAN QUENTIN FOR THEFT HERE

John Hammond, who while employed by a Sonoma barber stole a $100 Liberty Bond from his employer's coat a few weeks ago was denied probation by Judge Seawell on Monday. It was shown that Hammond was an old offender having served three terms in prison although but 36 years of age.

The Judge believed society would be better safe guarded by the elimination of Hammond, so he gave him an indeterminate sentence of from one to ten years in San Quentin.

IT IS PRETTY ROCKY; THIS LIVING WITHIN A STONE'S THROW OF TOWN

City Marshal James H. Albertson the eagle eyed traffic cop of Sonoma realizing the havoc being wrought by stones thrown against plate glass windows on Napa Street by machines traveling our streets suggested to the Mayor that the city employ a man to arrest the offending stones by raking them in. He pointed out that people do not care to live within a stone's throw from the main streets of Sonoma when the stones damage their property. Jim is right. It is pretty rocky.

Mrs. Henry Hyde returned home Sunday evening from San Francisco.

WHISTLES AND BOMBS AT FAIR OPENING

A Million Dollar Show Guaranteed by The Sonoma County Fair Directors.

When whistles and auto horns blow and bombs explode next Monday morning you may know that the Sonoma County Fair is officially opened.

The big tent for the Industrial Exposition is up and booths are about completed. There are 128 of these booths which will be used by manufacturers, business men and merchants for the display and demonstration of their products. Every conceivable kind of modern labor-saving device will be in operation for the benefit of the Fair attendants.

Many of the horses for the races and for the Horse Show are now in stalls on the grounds and more are arriving daily. The entries in these two events promise some entertaining and exciting contests. The Horse Show will begin Monday night and run six nights.

The horse racing program will run four days, beginning Wednesday and ending Saturday August 28th. Two harness races and two more running races each day make a program of eight or more events. Purses as high as $1,000 have brought some of the fastest horses in America for these races.

There are many classes of the live stock exhibit that are well filled and this feature of the Fair deserves special mention.

It is impossible to give deails of all the exhibits, but the Directors of the Fair Association say that it will be the biggest and best County Fair ever conducted on the Pacific Coast.

The large advertisement in this issue of the Index-Tribune will give you further idea of what there is to see and do at the Fair in Santa Rosa August 23 to 29.

CONDITION OF SONOMA'S STREETS IS BROUGHT HOME TO US

Sonoma city is just going to "save its bacon" by building modern paved streets, for otherwise we would have to go back to primitive stores and office buildings or primitive modes of traveling. The present streets cluttered up with loose stones, traveled over by automobiles passing by modern buildings with plate glass fronts is a disastrous combination as is evidenced by the third accident within a few weeks to the big plate glass windows of the Index-Tribune office in the Maffei block. The machines strike the rocks in such a way that the stones are hurled across the sidewalk and strike the window with such force that the heavy glass is shattered as if by a bullet.

The windows are insured but it costs the company over $125 to replace them and the breakage is becoming so common and the windows are such a risk that it would not be long before the company wolld relong before the company would re-

The condition of Sonoma's streets as evidenced by this and the wear and tear on tires and automobiles is a shame and disgrace, and property owners who have been progrssive and enterprising enough to erect fine buildings with modern fronts along our main thoroughfares are poorly repaid indeed for their public spirit when their property is liable to damage any moment.

It is high time Sonoma was paved and when the bids are opened for the work on the 26th may it be rushed forward as speedily as possible. The trustees owe it to the progressive people of Sonoma who have voted $54,000 to improve their town, to make all haste to get the work underway.

CORONA TYPEWRITERS AT AL STEIN'S

MET WITH AN ACCIDENT

While driving a machine in San Francisco recently, Arthur Carmer met with an accident in which his eye was badly cut. The wound required several stitches but Carmer is now doing nicely.

Mrs. Reynolds (Grace Champlin) is in Arizona where she has a position in a government sanitarium for tubercular soldiers.

GLEN ELLEN WILL HAVE JACK LONDON BOOTH AT FAIR

A feature of the Sonoma County Fair in which Sonoma Valley will be keenly interested will be the Jack London booth to be presided over by the energetic members of the Glen Ellen Women's Improvement Club by whose effort the handsome memorial library to the late literary genius is becoming possible.

The funds already raised for this laudable purpose are to be further augmented by the exhibition sale at Santa Rosa during the Fair. London's books with his photographs and autography will be sold, also scenes at the ranch and souvenir post cards. In addition the club members are contributing fancy articles and handwork which will be sold at the London booth. Many of the famous oil paintings donated to the fund will be disposed of.

The usual monthly benefit dance which would conflict with the Fair date has been postponed and the ladies are devoting all their time and talents to making a big success of the Santa Rosa exhibition.

The home of Mrs. Dodge and her mother, Mrs. Mary Carter, is the happy haven of honeymooners, Mr. and Mrs. Dick Dodge, newlyweds, and Mr. and Mrs. Neal Dodge (Gladys Simmons) being with the family for the past week.

Evening: Dog Show, Dancing, Fireworks.

OPENING PARADE

A million dollar spectacle parading the streets of Santa Rosa leaving the Fair Grounds at noon. The parade will be headed by the U. S. Marine Band and a company of well drilled marines in full uniform Following this will come the horses of the Rodeo Contest, ridden by expert riders in cowboy costume and joined by all of the horsemen available in Sonoma County. The King and Queen of the Fair in their Pony Carts with their royal court will be a feature. The highly trained horses of the horse show with their expert riders will perform for the crowds that will line the streets of Santa Rosa. Business houses and manufacturers will be represented by appropriate floats. At the Fair Grounds the parade will be joined by all of the blooded stock on the grounds, the race horses with their jockeys and drivers in gay colors and will form one gorgeous mass of color in drill formation before the grand stand.

HORSE SHOW

The Horse Show will be one of the best ever staged on the Pacific Coast. Several entries are from Eastern breeders and for these Sonoma County does not have to take second place. There are horses bred in Sonoma County that can take the prize over anything produced anywhere else in the world. These will be seen at the Horse Show every night at the Sonoma County Fair.

POULTRY AND PET STOCK

A division of the Fair will be given over to the display of chickens, rabbits, pigeons and pet stock. Petaluma with her Egg Day show expects to carry off a great many of the poultry prizes but there are others in Sonoma County who dispute Petaluma's claim to having the best birds and a real display of high-bred poultry will be the result.

LIVE STOCK SHOW

Prize-winning cattle, horses, hogs, sheep and goats will be seen at the Sonoma county Fair. There will be dairy cattle, beef cattle and range cattle; heavy draft horses thoroughbreds; Shetland ponies, polo ponies and saddle horses; there will be hogs of all kinds, and sheep of both wiil and meat classes. There will be goats for milking and angora wool-producing animals.

AGRICULTURAL EXHIBITION

An educational feature of the Fair showing the best products of Sonoma and surrounding counties. Every product of Sonoma County will be on full dress display. The growers and farmers of Sonoma County will here learn something of the possibilities of our climate and soil in the production of better crops on the farm.

DOG SHOW

Saturday and Sunday of Fair Week, Mr. J. H. Bradshaw, the expert who directs the Los Angeles and San Francisco Dog Shows, will conduct an exhibition of pure-bred dogs under the auspices of the National Association. There will be ...ery conceivable size and kind. If you are interested in pu... this exhibition will be well wo... your while

What You Can See at the FAIR

SIDE SHOWS—"The Valley"

The Beasley & Boucher United Shows will maintain a continuous performance on "The Valley." These carnival companies have united for the Sonoma County Fair and will put on one of the best attractions in the West. There are 24 distinct shows, two Ferris wheels and two merry-go-rounds, one of which is a modern $20,000 electric controlled merry-go-round and is the only one of its kind west of Chicago. These same shows will go from the Sonoma County Fair direct to the State Fair at Sacramento.

BUY A FAMILY SEASON TICKET FOR $5.50—18 ADMISSIONS—GOOD FOR FAMILY AND FRIENDS ANY DAY OR ALL IN A BUNCH, ONLY 30C PER ADMISSION. SINGLE ADMISSION 75C. NO SEASON TICKETS SOLD AFTER SUNDAY. ...22D. BUY ON... 45C ON...

AUTO SHOW

Sunday, the last day of the Fair, the Fair management will conduct a professional automobile race between some of the World's best drivers. With preliminary elimination contests and the final 50-mile dash for the first prize of $1,000, the public is assured of a big day of excitement. These races will be conducted under the auspices of the American Automobile Association and their officials will be in charge. The second prize is $750 and the third $500.

HORTICULTURE

Sonoma County's reputation as a fruit section is second to none in the State, the Nation or the World. At the Sonoma County Fair the fruit-grower will have an opportunity of seeing the result of the best effort in scientific fruit culture aided by Nature's gifts of climate and soil conditions. The educational value of this feature will well warrant a visit to the Sonoma County Fair.

INDUSTRIAL EXHIBITION

The Industrial Exhibit will be housed in a tent 230 feet long by 130 feet wide. There will be 128 complete shows, each one demonstrating some article of use in the home or on the farm. The time that you will spend in the Industrial Exhibit will prove of real value to you in the years to come from the fact that you will see all modern conveniences and appliances in actual operation.

HORSE RACING

The Fair Association will hold a four-day race meet beginning Wednesday, August 25, and ending Saturday, August 28. There will be two trotting races every day and two or more running races, for purses as high as $1,000. There are now over fifty high-bred racing horses on the grounds being trained for this meet. A feature of the races will be a free-for-all meet of running horses from the farms.

RODEO

An exhibition supreme by Millerick Brothers of Sonoma, of wild-horse riding, bucking horse contests, roping and bull-dogging steers, roping contests, wild horse races, Roman chariot races, etc. This show will be staged on a competitive hasis and the winners of Monday's contests will compete on Tuesday for the finals. This show has never before been shown for less than $1 gate admission and $1 to the grand stand. You can see it at the Sonoma County Fair for 30c if you have season ticket.

DAY NURSERY

Under the auspices of the Santa Rosa Baby Clinic a day nursery will be provided where mothers may leave their children while they enjoy the Fair. In addition to having the babies well cared for, a clinic will be held from 3 to 5 o'clock each day where you may have your baby scientifica... examined and a report given you suggesting methods for ... the health and mental development of your child. Th... hildren will be superintended by Miss Helen B. Wright, ... perienced nurses ...

EGG DAY TO-DAY AND TO-MORROW

Some of the interesting events for Egg Day have already been programmed and will prove of no end of interest to the thousands of visitors who are expected in Petaluma on Egg Day, Aug. 21 and 22.

The program on Egg Day will open in the morning with the original chicken dance by ten young ladies of Petaluma under the guiding hand of Gladys Kenney. This is one of the most original, unique and one of the most humorous features of Egg Day. The girls will carry out the original chicken real steps and from there into an imitation of hens scratching, feeding, eating, drinking, dusting and hunting worms. Each of these will be carried out in detail to the delight of the crowd.

Another special feature of the occasion will be the egg barbecue which is in itself one of the greatest attractions of Egg Day for the reason that thousands of eggs are given away to the public.

In Walnut Park, where the dance is to be given, there will be games indulged in such as egg rolling contests, and other unique features characteristic of Petaluma's giant poultry industry.

Following luncheon, the afternoon program is opened with the giant chicken parade, which will be represented by floats, walking and rolling features, the many industries affiliated in the World's Egg Basket. The chicken parade in Petaluma, one if the most fascinating and original parades of this country, has become famous because of its practical and original illustrations of the largest poultry center in the world. A hundred and fifty cowmen and cowgirls will take part in this great parade and will immediately after the parade begin the Round-Up contest in Kenilworth Park.

In the evening there will be a street parade, egg ball and egg pageant, where chanticline, queen of the egg world, will reign with all her attendants and court following.

Sunday's program consists of the Round-Up program, with sacred music in the morning by the Mystic Shriners. In the afternoon the Shriners will visit the Round-Up in Kenilworth Park and take part in the program.

Mrs. Nancy Bates Olin has been up from San Francisco on a visit to her parents.

Mr. and Mrs. Emil Cornelius and Mr. and Mrs. Clem Cornelius spent Sunday last in San Francisco.

Mrs. Sophia Carmer returned home Sunday from a short trip to San Francisco where she visited her son, Arthur Carmer, and wife.

Mr. and Mrs. R. Quartaroli spent Sunday last in the city.

George Reed and son spent last Sunday in Tiburon.

Mr. and Mrs. Benedetti and children were visitors to San Francisco last Sunday.

MORE CRITICISM OF BRIDGE BUILDING

The judgment of County Engineer Lloyd Aldrich in bridge construction was seriously challenged Saturday at a session of the board of supervisors by Orin Engelke, who lives near the proposed Mill Creek bridge near Healdsburg. Engelke was supported in his arguments by Supervisor A. D. Goddard, who represents that portion of the county and who has lived for many years in that section.

In view of the probe of bridges on the Petaluma-Sonoma road near Sonoma, in which the question of the Engineer's ability has been raised, the new attack on his plans and judgment Saturday has considerable interest to the people.

Engelke appeared before the board to protest against the inclusion of a center pier in the bridge, claiming that it wouuld prevent driftwood from passing under the bridge, would cause a dam at the bridge, would cause the creek water to overflow and damage the property of those owning property adjacent to the creek above the point of the bridge.

Aldrich at first asked why no such protest had been lodged before the contract for the bridges was let, but admitted a moment later that Supervisor Goddard had lodged just such a protest with him before bids were advertised for the new bridge.

Aldrich offered to consult property owners and to allow Goddard to make an independent investigation, so that there might be no question as to correctness of the bridge plans, but Supervisors Charles, Weise and Doss refused to consider changing the plans.

CARD OF THANKS

In behalf of the Boyes Springs Volunteer Fire Department I wish to extend thanks to all those who contributed to the great success of the benefit for the new fire engine and assisted on the 18th. Special thanks is due to the Women's Clubs of Sonoma and Glen Ellen and all those whose generosity is making possible the acquisition of our new chemical.. To all who lent their talent and contributed to the success of the program Wednesday night we are most grateful.

Respectfully,
George Cause,
Chief of Fire Department,
Boyes Springs.

Dr. and Mrs. A. M. Thomson and little son motored to Shasta County Saturday last where they visited at the ranch of relatives. The doctor and his wife traveled in the new Ford sedan.

A ten pound son was born to Mr. and Mrs. Adolph Rubke this week, Dr. Hays being in attendance at the arrival of the fine bouncing Native Son.

The Weyl brothers killed a deer near the Ayers ranch northeast of town this week.

GEO. W. HOYLE'S WAR RECORD

Hillard Comstock the man who has been sending out his literature to get the job of District Attorney Hoyle plays up his war record. When it comes to a proud record during the war, no man has a better claim to the regard and respect of every American citizen than has Geo. W. Hoyle. Two sons of our present District Attorney served honorably and well overseas and while they were away, District Attorney Hoyle did splendid war work and was one of Sonoma County's most patriotic speakers in behalf of the Liberty Loans and Red Cross.

He has proven his worth as an American citizen and is being subjected to the recall, a vicious instrument, at the hands of self seeking enemies.

The conduct of his defamers is not American or soldierly in any sense.

A Chelini, delegate to the 36th Grand Council of Y. M. I. in session at San Jose, has been enjoying the big time and likes the Garden City and its hospitable people.

Stewart Potter, graduate of the Sonoma High School, has returned to U. C. where he is a second year university student. He has been employed in the lumber camps up north during his vacation.

IS IT A BOOST OR A KNOCK?

Judge Thomas C. Denny is a respected resident of Sonoma, and is a candidate to succeed himself on the Superior Court bench, which he has occupied without conspicuous ability for fourteen years. —Exposition Forum.

Mrs. Hattie King of Oakland is the guest of her old friend Mrs. Mary E. Murphy.

Mr. and Mrs. Draper of Modesto who have been here on a visit to Mrs. Draper's mother, Mrs. Julia Burris have returned home. Miss Dorothy Glaister, granddaughter of Mrs. Burris has returned to Santa Barbara.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Ford
THE UNIVERSAL CAR

The Ford Sedan, with electric starting and lighting system, demountable rims with 3½-inch tires all around, is the ideal family car because of its general utility and refined and comfortable equipment. Finely upholstered. Plate glass windows. An open car in the spring, summer, and early fall. A closed car in inclement weather and winter. Rain-proof, dust-proof. In the city or the country, a family car. The low cost of operation and maintenance is not the least of its charms. Won't you come in and look it over?

ADLER HOME SCENE OF DOUBLE BIRTHDAY PARTY

The birthdays of Miss Irma Adler and her brother, Leland, both of which fall on the 20th of August was celebrated last evening at the spacious Adler home. The Adler children were hostess and host to about twenty four young friends who were royally entertained.

SONOMA COUNTY'S ASSESSED VALUATION OVER $46,000,000

According to figures given out by County Assessor Smith the total assessable value of Sonoma County property is $46,245,530, and increase over last year of $7,779,335. It is expected that this will result in a lower tax rate this year.

EL VERANO TEACHERS NAMED

The El Verano school will have three teachers as last year. In addition to Mrs. Bitner and Miss Lonergan who were employed last term, a new teacher Miss Griffith of Santa Rosa has been engaged.

NOTICE TO CREDITORS

Estate of HENRY J. ROSS, Deceased.

Notice is hereby given by the undersigned H. H. Button, Executor of the last will and estate of Henry J. Ross, deceased, to the creditors of, and all persons having claims against the said deceased, to file them with the necessary vouchers within four months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of Sonoma, or to exhibit them with the necessary vouchers within four months after the first publication of this notice to the said H. H. Button, executor of the last will and estate of Henry J. Ross, deceased, at Rooms 405—407 Bank of Italy Building in the city of Santa Rosa, Sonoma County, California, the same being the place for the transaction of the business of said estate in the County of Sonoma, State of California.

H. H. BUTTON, Executor of the last will and estate of HENRY J. ROSS, Deceased.

No. 11811

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SONOMA

Evangeline C. Dodge, Neal E. Dodge and Richard D. Dodge, Plaintiffs, vs. **John Lewis, Christian Bruner, Victor Prudon, Robert B. Carter, Mabel C. Coffin** (formerly Mabel C. Carter), as guardian of the person and estate of Robert B. Carter, minor, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants.

SUMMONS

Action brought in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.—**J. R. Leppo,** Santa Rosa, California, attorney for plaintiffs.

The People of the State of California Send Greeting to: JOHN LEWIS, CHRISTIAN BRUNER, VICTOR PRUDON, ROBERT B. CARTER, MABEL C. COFFIN (formerly Mabel C. Carter), as guardian of the person and estate of Robert B. Carter, minor, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants.

YOU, AND EACH OF YOU, ARE HEREBY DIRECTED to appear, and answer the complaint in an action entitled above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after service on you of this summons, if served within the county, or within thirty days, if served elsewhere.

AND YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint, as arising upon contract, or plaintiffs will apply to the court for any other relief demanded in the complaint.

This action is brought and the object thereof is to determine the adverse claims to and clouds upon plaintiffs' title to the said real property hereinafter described, and to obtain the judgment of this court adjudging and decreeing that said plaintiffs are the owners in fee simple absolute and entitled to the possession and in the possession of the said real property described in plaintiffs' complaint herein, and that the said defendants and all other persons known or unknown, or any of them, have not, nor has either of them, any right, title, estate, lien, interest or right of possession in the real property described in the complaint, or any part thereof, and that they, and each of them, be forever barred from asserting any claim thereto. The said real property is situate, lying and being in the County of Sonoma, State of California, and is more particularly described as follows, to-wit:

First Piece: Beginning at an iron pin driven into the ground at a point in the center of a gateway on the North line of Out Lot 575, as laid down and designated on the official map of the Town or City of Sonoma, bearing North 83 degrees West from the Northeast corner of said Out Lot, and distant from said corner 11.88 chains West, and running thence South 6 degrees 15 minutes West, 17 chains to an iron pin; thence South 7 degrees West, 20.20 chains to the center of Sonoma Creek; thence up the center of said Creek, following the meanders thereof, to the Southerly line of a street leading from Sonoma Creek to Broadway; thence Easterly, along the Northerly line of Out Lot 574 to its Northeasterly corner; thence Southerly, along the Westerly line of Broadway to Chili Street; thence along the Southerly Line of Chili Street, to the place of beginning, comprising Out Lot 574, and the Westerly portion of Out Lots 575 and 583, also the Westerly portion of the strip of land designated as Argentina Street, and that portion of the strip of land designated as Broadway which lies South of Chili Street;

Second Piece: Beginning at a stake marked HH, standing on the Southeasterly line of land heretofore conveyed by Jerome Lincoln to S. J. Agnew, thence North 66 degrees 15 minutes East, 1.66 chains to the center of Sonoma Creek; thence down said Creek, following the meanders thereof, 32.13 chains to a point in the center of the stream; thence South 66 degrees 15 minutes West, 26.20 chains to a stake in the line of land of Jerome Lincoln; thence North 23 degrees 45 minutes West, 25 chains to a stake in the line of said land of Agnew; thence on said line, North 66 degrees 15 minutes East, 36.24 chains to the place of beginning, containing 69.86 acres, being a portion of the Polpula Tract of the Petaluma Rancho, conveyed by Jerome Lincoln to Robert Howe and Robert Hall, by deed of December 28, 1881, recorded in Book 76 of Deeds, page 605, of Sonoma County Records;

Third Piece: Beginning at a stake standing at the most Southerly corner of the Second Piece above described, running thence South 23 degrees 45 minutes East, along the line of Jerome Lincoln, 14.30 chains, more or less, to an iron pin in the corner of a fence; thence along said center of Sonoma Creek; thence up said stream to a point in the center thereof, at a corner of said Second Piece; thence North 66 degrees 15 minutes East, on the line of said Second Piece, 26.20 chains to place of beginning;

Being a part of Polpula Tract of the Petaluma Rancho and the Northwesterly portion of the land conveyed by Jerome Lincoln to Robert Howe and Robert Hall, by the deed of November 14, 1882, recorded in Book 83 of Deeds, page 205, of Sonoma County Records.

Saving and Excepting, however, from the Second and Third Pieces above described, that certain piece of land conveyed by Robert Hall and Thirza Denia Hall, his wife, on November 11, 1912, to Carl Jakober and Matilda Jakober, his wife, which said deed is recorded in Book 305 of Deeds, page 93, of the Sonoma County Records;

Also, Saving and Excepting from said Second and Third Pieces above described, that certain land conveyed on August 18, 1887, by Robert Hall to the Santa Rosa and Carquinez Railroad Company.

The above described three pieces of property constitute what is commonly known as and called the **Hall Ranch** of Sonoma Valley, Sonoma County, California.

Fourth Piece: The Northerly 75 feet of the Westerly 150 feet of small or in-lot No. 75 of the City of Sonoma, in the County of Sonoma, State of California, as the said lot is known, numbered and designated on the official map or plat thereof.

Together with all and singular the easements, tenements and appurtenances thereunto belonging, or in anywise appertaining.

Given under my hand and the seal of said Superior Court this 6th day of July, 1920.

(SUPERIOR COURT SEAL)

W. W. FELT, JR., County Clerk.

By JOHN BURROUGHS, Deputy.

LOCAL AND PERSONAL ITEMS OF INTEREST

Miss Claire Greenberg of Napa has been visiting her friends, Mrs. Jessie Hiser and mother. Miss Greenberg's folks formerly owned a ranch near Sonoma and after leaving here returned to San Francisco until four years ago when they purchased 10 acres near Napa.

Mrs. Paramore and party of friends have returned from Salinas where they enjoyed the wonderful rodeo there and spent several days visiting friends.

The Petaluma Argus comes to us in enlarged form and all its accustomed newsiness. Messrs Olmstead the proprietors are to be congratulated on their new press and their enterprise. They are thorough newspaper men and their city is in luck to have them there.

Everett Sprague of Alameda has been here for the past week on a visit to relatives. His father Capt. Fred Sprague is in the medical corps of the army stationed on the Atlantic coast.

Mrs. Mamie Delph has resigned her position at Hotz's store and will be greatly missed by patrons.

Mr. and Mrs. Fred Schell and Mr. and Mrs. Al Stein leave this week for an auto trip to southern California.

Miss Ethel Evans is home from the South and ready to assume charge of her school in San Luis district.

Mrs. Thos. Brown and Miss Florence Murphy are to visit at Stanford University and Mountain View the coming week.

NEW SAMPLES HERE

My Fall and Winter samples of fine woolens are here. Call and select a pattern for your new suit.
